

Co-op Academy Florence MacWilliams

project summary

The development of high-quality outdoor sports facilities was a key requirement for Co-op Academy Florence MacWilliams in Stoke-on-Trent, supporting both curriculum delivery and wider community engagement. The project comprised the construction of a new 3G Artificial Grass Pitch (AGP), a Multi-Use Games Area (MUGA), and a full-size natural grass football pitch designed to accommodate U11, U13 and junior-level play.

key facts

- MUGA
- 3G pitch construction
- Natural pitch construction
